List of Federal Tribal Consultation Statutes, Orders, Regulations, Rules, Policies, Manuals, Protocols and Guidance
January 2009

Note: This list was prepared by the White House – Indian Affairs Executive Working Group (WH-IAEWG), Consultation and Coordination Advisory Group (CACAG). It contains those federal Tribal consultation statutes, orders, regulations, policies, manuals, and protocols that specify procedures as to how Departments, agencies and bureaus are to carry out consultation. It also includes many of the laws, orders, regulations and policies requiring that government-to-government relationships with tribes be carried out however, it does not purport to be comprehensive or all encompassing.

Part I: Legal Authorities Requiring Consultation - Government-wide

A. Statutes Requiring Consultation – Government-wide:

   AIRFA establishes the policy of the federal government “to protect and preserve for American Indians their inherent right of freedom to believe, express, and exercise the traditional religions of the American Indian, Eskimo, Aleut, and Native Hawaiians, including, but not limited to, access to sites, use and possession of sacred objects, and the freedom to worship through ceremonials and traditional rites.”

   ARPA requires federal agencies to consult with tribal authorities before permitting archeological excavations on tribal lands (16 U.S.C. 470cc(c)). It also mandates the confidentially of information concerning the nature and location of archeological resources, including tribal archeological resources. (Also refer to the ARPA implementing regulations concerning consultation.)

   In carrying out its responsibilities under section 106 of this Act, a Federal agency shall consult with any Indian tribe or Native Hawaiian organization that attaches religious and cultural significance to properties described in subparagraph (A). (Section 101(d) (6) (B))

NAGPRA requires consultation with Indian tribes, traditional religious leaders and lineal descendants of Native Americans regarding the treatment and disposition of specific kinds of human remains, funerary objects, sacred objects and other items. Under the Act, consultation is required under certain circumstances, including those identified in Sections 3002(c), 3002(d), 3003, 3004, and 3005. (Also refer to the NAGPRA implementing regulations concerning consultation.

Detailed information about NAGPRA and its implementing regulations is available at the National Park Service (NPS) National NAGPRA website, which can be found at: http://www.nps.gov/history/nagpra/

B. Regulations Requiring Consultation - Government-wide

1. Native American Graves Protection and Repatriation Act (NAGPRA) Implementing Regulations (43 CFR 10)

The NAGPRA implementing regulations refer to consultation or consultation-related concerns in several sections, including (but not limited to): 43 CFR 10.5 (consultation requirements for intentional excavation or inadvertent discovery), 43 CFR 10.8 (consultation requirements for summaries), 43 CFR 10.9 (consultation requirements for inventories). The regulations also specify other requirements for communicating with tribes, though without requiring consultation.

NEPA requires the preparation of an environmental assessment (EA) or environmental impact statement (EIS) for any proposed major federal action that may significantly affect the quality of the human environment. While the statutory language of NEPA does not mention Indian tribes, the Council on Environmental Quality (CEQ) regulations and guidance do require agencies to contact Indian tribes and provide them with opportunities to participate at various stages in the preparation of an EA or EIS. CEQ has issued a Memorandum for Tribal Leaders encouraging tribes to participate as cooperating agencies with federal agencies in NEPA reviews. Section 40 CFR 1501.2(d)(2) requires that Federal agencies consult with Indian tribes early in the NEPA process. Other sections also refer to interacting with Indian tribes while implementing the NEPA process.

3. National Historic Preservation Act (NHPA) Regulations Implementing Section 106 (36 CFR Part 800)

The regulations implementing Section 106 of the NHPA require consultation with Indian tribes throughout the historic preservation review process. Federal agencies are required
to consult with Indian tribes on a government-to-government basis, in a manner that is respectful of tribal sovereignty. The regulations require federal agencies to acknowledge the special expertise of Indian tribes in determining which historic properties are of religious and cultural significance to them.

C. Executive Orders and Memoranda Requiring Consultation – Government-wide

1. EO 13175: Consultation and Coordination with Indian Tribal Governments (Nov. 6, 2000)
2. EO 12898: Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (February 11, 1994) - Published in Federal Register, 59 FR 7629, Wednesday, February 16, 1994
   http://www.hud.gov/offices/fheo/FHLaws/EXO12898.cfm

Section 6-606, entitled “Native American Programs,” requires that each Federal agency responsibility set forth under this order shall apply equally to Native American programs. In addition, the Department of the Interior, in coordination with the Working Group, and, after consultation with tribal leaders, shall coordinate steps to be taken pursuant to this order that address Federally-recognized Indian Tribes.

      Title IX (Safety for Indian Women), Sec. 90 – Consultation, 42 U.S. C. & 14045d Section 903 of Title IX, “Consultation”, directs the Attorney General and Secretary of Health and Human Services to each conduct annual consultation with Indian tribal government concerning the federal administration of tribal funds and programs established under the Violence Against Women Act of 1994 and 2000. This requires the Attorney General,
during such consultations, to solicit recommendations from Indian tribes concerning: (1) administering tribal funds and programs; (2) ENHANCING THE SAFETY OF Indian women from domestic violence, dating violence, sexual assault and stalking; and (3) strengthening the federal response to such violent crimes.

Not later than one year after the date of enactment (July 30, 2008), the Attorney General, the Secretary of the Interior and the Secretary of Health and Human Services, in consultation with Indian tribes (as defined in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450(b)), shall jointly establish an emergency plan that addresses law enforcement, water, and health care needs of Indian tribes, in specified categories and amounts.

- IRS has consultation "procedures" that direct how IRS will implement Department of the Treasury Consultation Policy.
- The procedures are currently under review and not yet final. The IRS has developed the procedures via a working group that included tribal representatives. -In effect, the IRS "consulted on consultation". The procedures have two components: (1) Ad hoc consultation where a tribe can request to meet on an issue of concern and "Listening Meetings" where we invite tribal representatives from the BIA regions (4 per year) to open a dialogue on an issue of concern to them, suggestions they may have on IRS operations, and questions about federal tax and Bank Secrecy Act issues. There have been 11 consultation meetings since December of 2005 and another is tentatively scheduled for this December.
